

State Council for Science, Technology & Environment, H.P. HP Specific Research & Development Projects 2017-18

Call for proposals for the year 2017-18

State Council for Science, Technology and Environment (SCSTE), H.P. hereby invites '*HP Specific Research & Development Projects 2017-18*' (up to Rs.10.00 Lacs for a total period of 2 years) to strengthen research and development in various fields of Science, Technology & Environment in the State of Himachal Pradesh.

Entries are invited on the undermentioned thematic areas from the Scientists and Technologists who are working in the Academic sector, National labs and other recognised R&D institutions in H.P.

Thematic Areas:

1. Application of Science and Technology for the upliftment of rural population in H.P.
2. Impact of Hydro-Power Projects on Environment in H.P.
3. Disaster Management especially w.r.t earthquake resistant structures, landslides and flash floods in H.P.
4. Urban solid waste management in H.P.
5. Health science especially public health and medicine specific to health issues in H.P.
6. Renewable energy especially w.r.t Solar, Wind and Passive Solar Heating in H.P.
7. Problems of environmental pollution in industrial areas of H.P.
8. Geospatial technology and its applications in H.P.

Last date of receipt of proposals: **13th July, 2017**

More details can be seen at State Council's website: www.agisac.gov.in.

Note:

- Principal Investigators & Co-Principal Investigators who have been sanctioned projects in 2016-17, would not be eligible to apply again.
- Only one best project proposal is to be submitted by (PI & Co-PI) in any of the thematic areas.
- Multiple proposals from same PI & Co-PI will not be entertained.
- Proposals on Nano-Technology may be directly submitted to the respective Ministry (GoI).
